Parent teacher

Mrs Wood, Mrs Peck, and I would like to hold parent teacher meetings in Week 9. 29th March to the 31st of March. We are available after school on these days to meet with you and your child. Please call the office to make an appointment. We look forward to these meeting to share with you how well our students are doing.

Swimming pool

Firstly, I want to say how well our students did at the swimming sports in Fairlie last week. This was despite having to close our pool for the upgrade. Secondly, the upgrade is almost complete. The pool has been lined with fibreglass, the top of the pool has been resin coated, and the entire floor surface around the pool has been non-slip coated. The changing rooms are getting roofs later. It looks brand new and the team from Rangers Specialist Coating are doing a great job. Thank you to Steve and the team.

Dental Van

Unfortunately, the Dental Van has been put off till next week due to sickness.

Funday

Our next big day at the school is on 14th April. We have booked in the RNZB, CIVIL Defence, SCRFU, and by demand the return of the obstacle course. If you are able to help on the day we would really appreciate it. We will need help with supplying morning tea. Also help is needed on the obstacle course unsticking students from the netting, which was one of their favourite parts.

We can and we do!

In the last newsletter I talked about resilience. We are seeing the best in our students around We Can and We Do! This was best displayed during the last Funday where two of our students demonstrated the obstacle challenge. They went around the course so fast, showing all the students how to get around it quickly and safely.
